

Assinatura digital com PDF-XChange

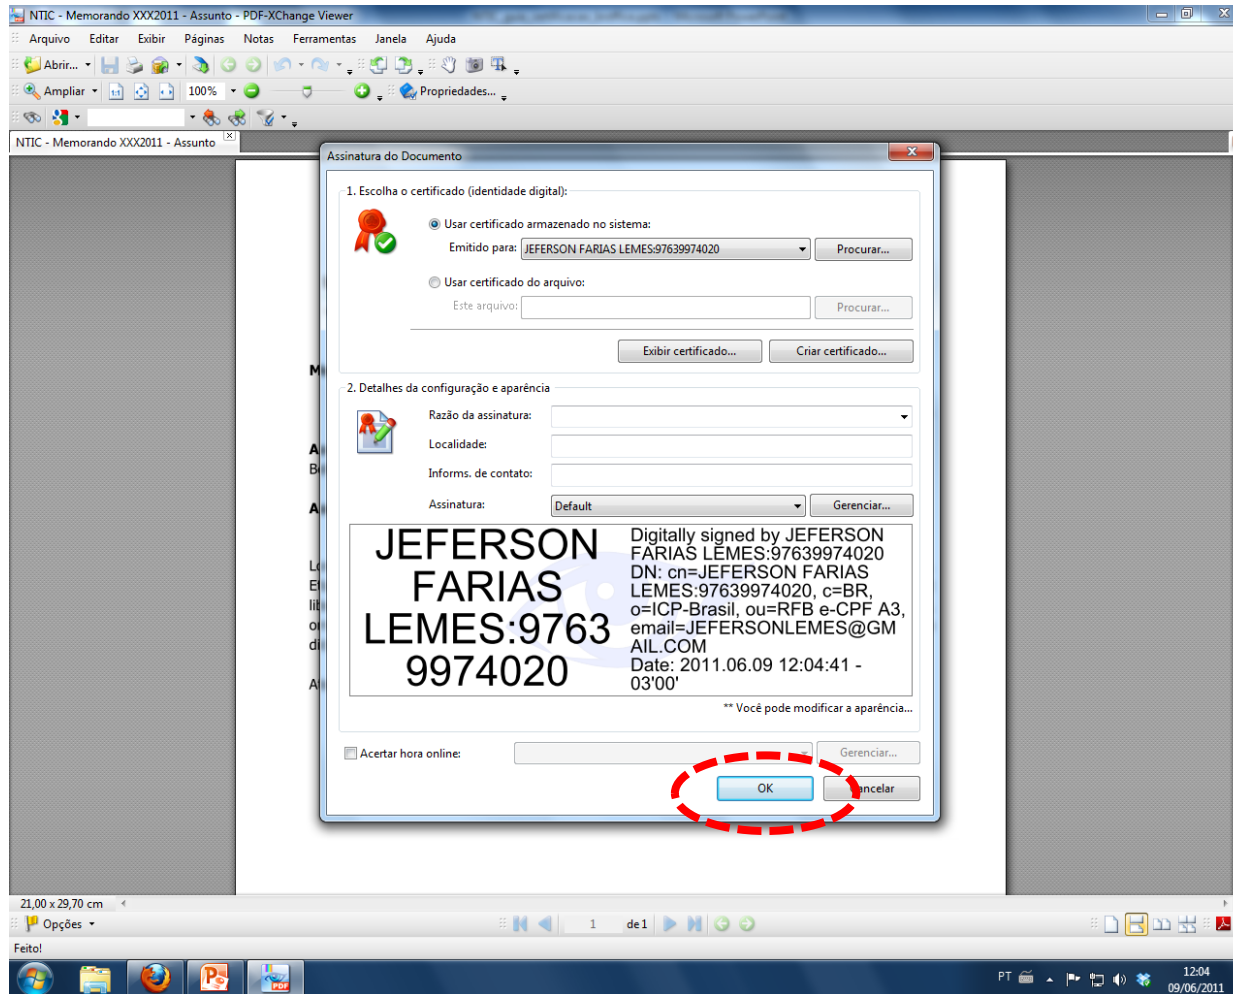

1. Clique no menu Páginas > Assinatura > Assinar o documento

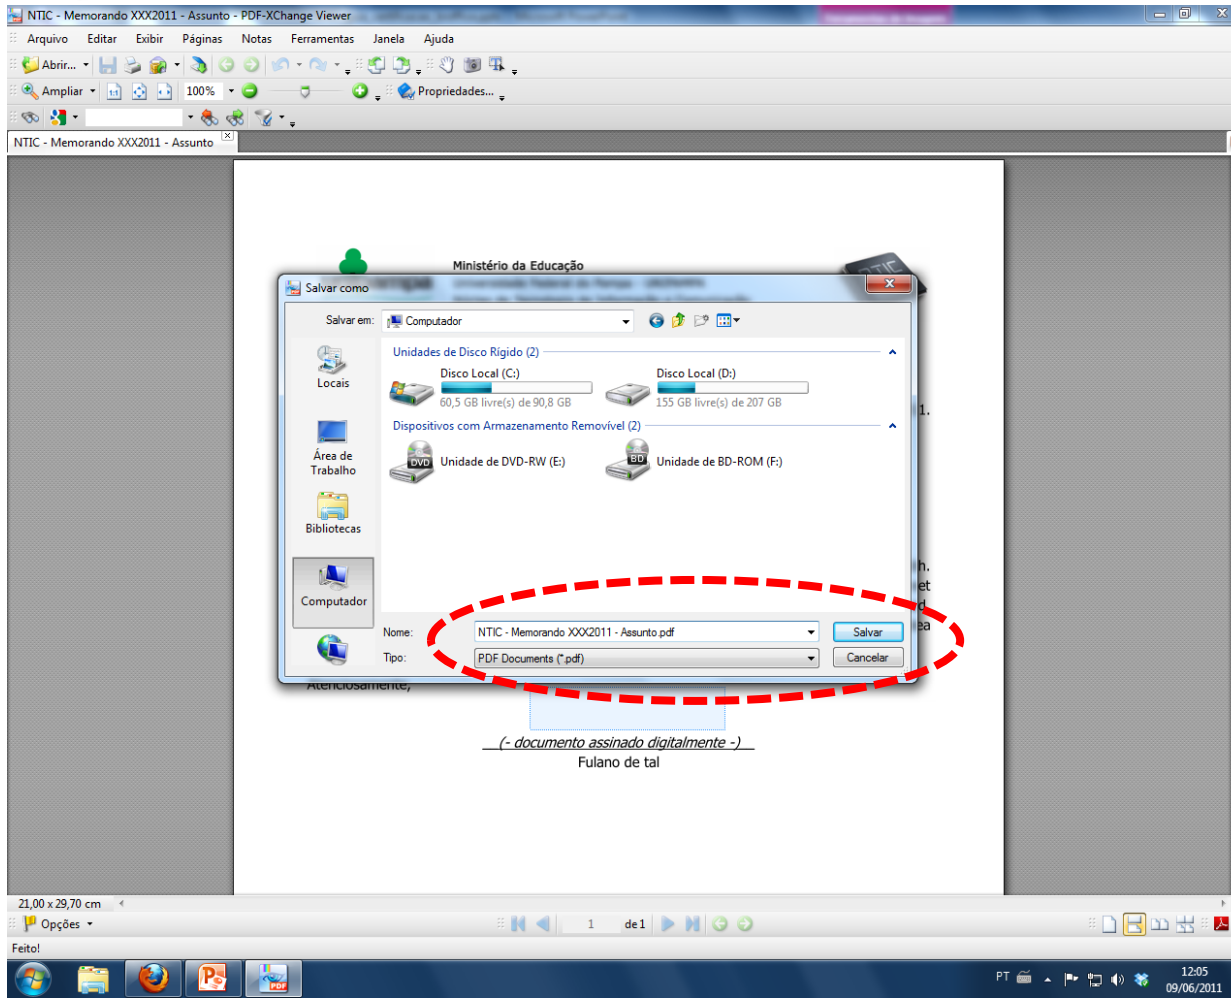

2. Escolha a área do documento onde deverá ser fixado o carimbo da assinatura

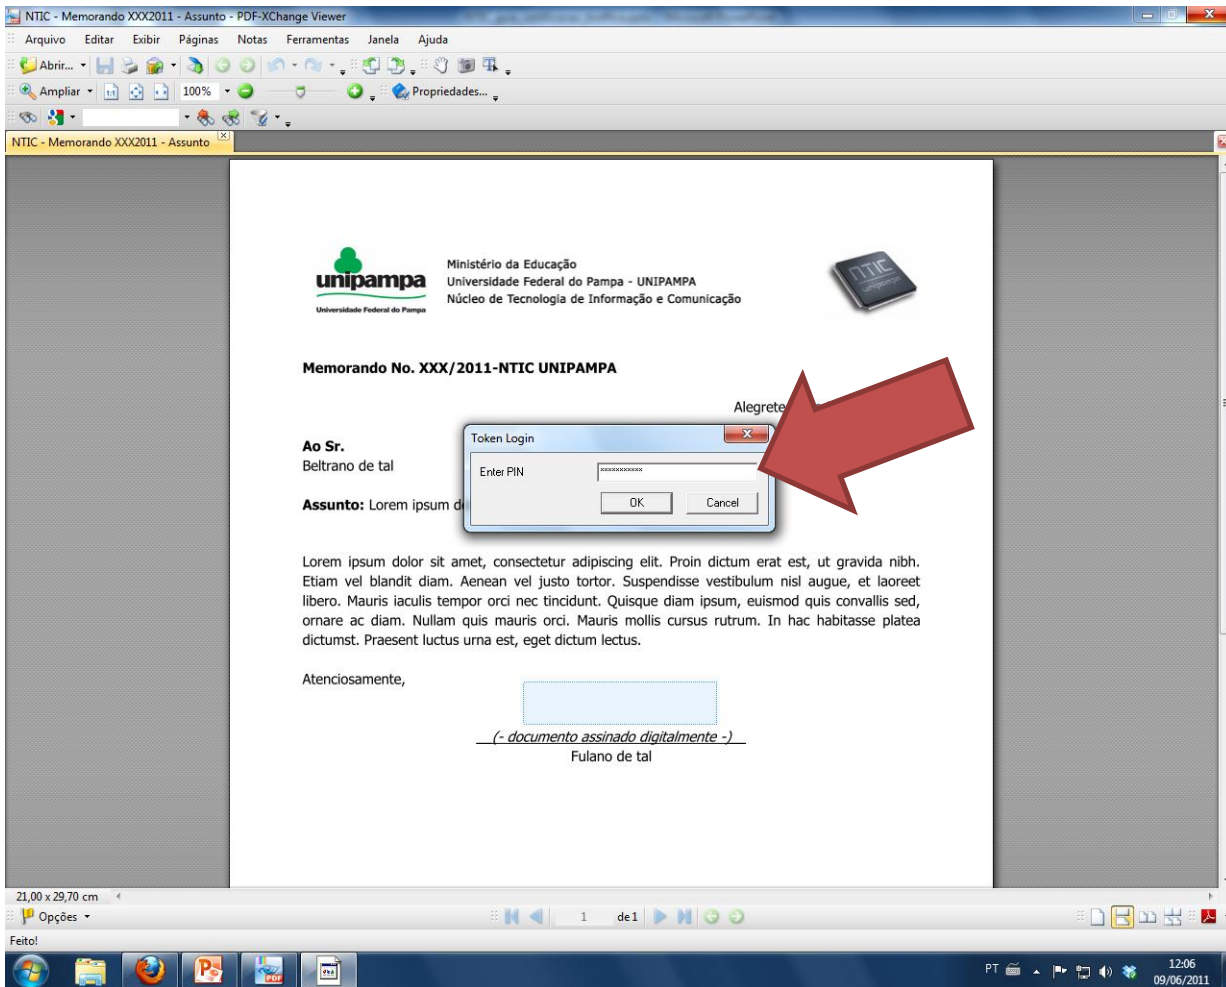

3. Clique em OK na janela Assinatura do Documento

4. Digite um novo nome para a cópia do arquivo

5. Digite a senha do token e clique em OK

The screenshot shows a PDF viewer window titled "NTIC - Memorando XXX2011 - Assunto - PDF-XChange Viewer". The document content includes the Unipampa logo, the text "Ministério da Educação Universidade Federal do Pampa - UNIPAMPA Núcleo de Tecnologia de Informação e Comunicação", and a "Token Login" dialog box. The dialog box has a title bar "Token Login" and a close button. It contains the text "Enter PIN" followed by a masked input field "*****". Below the input field are "OK" and "Cancel" buttons. A large red arrow points to the "OK" button. The document text includes "Memorando No. XXX/2011-NTIC UNIPAMPA", "Ao Sr. Beltrano de tal", "Assunto: Lorem ipsum d...", and a signature line "Atenciosamente, (- documento assinado digitalmente -) Fulano de tal". The Windows taskbar at the bottom shows the system tray with the date "09/06/2011" and time "12:06".

6. O documento está assinado
